

# Student CLUBS at LBRCE:

## 1.SAHELI - The Girl's Club

### About Saheli Club

SAHELI-THE GIRLS CLUB is a students' club dedicated entirely for upliftment of women and girl students. It aims at diverse social and economic activities involving women. It acts as a beacon light to create awareness on women rights and empower girls and women by making them involve in various activities. Enthusiastic students participate with prompt and acute knowledge in frequent activities organized by the members of the club.

SAHELI is the Brain Child of the College management which took its origin on 21st Dec, 2016. Mrs.Dr.V.Radhika Reddy, Psychiatrist inaugurated Saheli officially and blessed it for strong and multiplied growth.

### Vision of Saheli Club:

We envision a world where every girl knows and activates her limitless potential and is free to boldly pursue her dreams through Inspiration and Motivation.

### Mission:

To empower women and girls in academia through imparting educational, awareness training programmes

To strengthen them towards leadership and self motivation

To make them confident and competent individuals in career and life

### Jagruthi Abhiyan:

To promote intellectual & cultural activities for overall personality development of Girl students.

To augment the strength to voice their opinions assertively.

To enhance their equal participation in all areas, build strong leadership and competence to face the world.

To inculcate entrepreneurial attitude among young girls

To develop awareness on Legal and Institutional provisions to fight atrocities and dominance on women.

To create awareness on property rights and responsibilities.

To organize awareness programs on health, hygiene and safety.

To awaken the submissive towards strength.

## **2.PRAKRUTHI - The Environmental Club**

### **About Prakruthi Club**

Prakruthi - The Environmental Club of LBRCE has taken its birth on 18th June 2018 with its goal to increase and promote awareness of environmental issues such as protection, conservation, preservation, restoration and help students and staff to adopt and adapt the idea and philosophy of sustainable development into their daily lives at college and out of it with an emphasis on educating and empowering them.

Prakruthi is a voluntary group comprising of the students primarily with an aim to create awareness within the college and a larger community. We are committed for the improvement of the environment through activities such as planting trees, teaching effective methods of replacing daily used products with eco-friendly counter parts, teaching recycling. The club also discusses and addresses the issues regarding environmental education and sustainable programmes off campus.

Students who are interested in environmental advocacy and awareness are encouraged to join. All the programmes which are planned on behalf of the club are in alignment with Lakireddy Bali Reddy College of Engineering's vision, mission and values.

#### **Vision:**

Increase the awareness and environmentally appropriate behaviour among the students and faculty of the campus to maintain clean, healthy and well protected environment for building a sustainable society.

#### **Mission of Prakruthi Club:**

To raise awareness among students so that they understand environmental issues.

To install a sense of responsibility for the environment and a personal commitment to protect and preserve the environment.

To educate and cultivate an appreciation and interest in the environment.

To help the community in assessing environmental issues and monitor progress and consistently evaluate the work of the club and align to the clubs objectives.

To provide the opportunity for students to be actively involved in working towards resolving environmental problems.

### **Objectives of Prakruthi Club:**

Apply the knowledge of environmental issues to arrive at some inherent solution for general ecological problems.

Apply ethical principles and commit to responsibilities towards the protection of environment.

Create, select and apply the appropriate techniques and resources to address the environmental conflicts.

Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

Apply reasoning informed by the contextual knowledge to assess societal, health, safety and environmental issues and the consequent responsibilities relevant to the sustainable practices.

Conduct Green and Environmental Audit annually.

Monitor the effective implementation of proposed Environmental Policy for the campus.

## **4. KRUTHI - THE FINE ARTS CLUB**

### **About Kruthi Club**

“Art is the desire of a man to express himself, to record the reactions of his personality to the world he lives in” -- Amy Lowell

A visual art considered to have been created primarily for aesthetic and intellectual purposes and judged for its beauty and meaningfulness, specifically, painting, sculpture, dancing, playing music, graphics and architecture. Indians have always been the aesthetic sort and art has been a way of life for all of us. Fine arts in the country were set to reach newer heights of achievement and accomplishment. Eye's are the windows to the soul, so it is said. Anything that captivates the eye or that comes across as a pleasing sight is a source of positive energy for the soul and calms the mind. The various clubs dedicated to fine arts in the college do just that.

Increase high-quality opportunities for arts learning in both formal and informal like Dance, Music, Drama and Visual Arts are all mediums of expression of feelings of the inner self. They consist of gifted people who display their talents from time to time. LBRCE providing a great platform to the students, to bring out their hidden talents by establishing fine arts club. Art gives us a chance to find our self according to our imagination and solitude. Art indulges our senses into building a connection with our creative mind and Mother Nature. Art makes us feel good! With this spirit, the fine arts club welcomes all the kalakars in the creative journey.

### **Vision of Kruthi Club:**

The Vision of fine arts club is to foster an artistic environment in our college and develop an appreciation of art and aesthetics in the student's community and to bring out the creative, expressive and aesthetic potential of each student.

### **Mission:**

The fine arts club encourages responsiveness to new ideas and respect for individual differences by fostering self-esteem, respect for others as well as their work, cultures and art.

The fine arts club is to encourage students to express their thoughts, feelings and creativity through the various visual art forms. The club provides an opportunity to the students to let their imagination run wild and provides them with the sight to see things in a different way.

Encouraging the students towards culture sharing activities through Ekbharath and shresta Bharath programmes.

Objectives of the Kruthi Club:

The educational objectives of the Division are:

To encourage imagination, creative ability and artistic discrimination.

To develop the skills essential for professional competence.

To relate the various arts and help students find the means to enjoy them.

To incorporate skills in the College for social and cultural growth, inspiring students to make maximum contributions as creative artists.

Policy Statement of Kruthi Club:

LBRCE Fine Arts club provides an opportunity to the students to let their imagination run wild and provides them with the sight to see things in a different way. Students learn from one another and share their prowess in different aspects of art. The Arts Club caters to the needs of those students who have an aptitude for music, dance or other fine arts. Students are encouraged to participate in inter collegiate and other competition through fine arts.

The fine arts club is to encourage the budding talent of the students.

To provide opportunities and encouragement to express oneself freely.

To encourage imagination, create ability and introduce an artistic environment.

Inspiring students to make maximum contribution as creative citizens.

To organize various competitions, functions, and events in the college.

To make the student confident and competitive in the global environment.

To improve the imagination skill in entertainment.

To give the students artistic outlet and to help each enrich interest for art and personal experience through art.

To maintain the positive competitive environment among students.

To develop the students to express their imaginary thoughts through different artistic expressions.
